

Fire Safe SC Community Goals

Reduce Home Fires - Promote Consistent Messages - Improve Data Quality - Provide Valued Resources

*Fire Safe SC Community Designations are made annually. For 2021 consideration, all community goals below must be completed by **December 31, 2021**.*

- ☐ 1. **Hold** open house or virtual event in your fire district promoting core four messaging.
- ☐ 2. **Track** how many citizens were educated at the event(s) above.
- ☐ 3. **Develop** a community following on department website or social media promoting the fire and life safety guides and core four messages.
- ☐ 4. **Track** media source that is currently being used for outreach by your fire department.
- ☐ 5. **Engage** partnerships with local stakeholders (ex. faith based organizations, education facilities, community groups) to provide fire safety education to its members.
- ☐ 6. **Track** sources/links and names of community partners that help you promote the core four messaging with fire safety messages.
- ☐ 7. **Engage** community partners to make a donation to community risk reduction efforts.
- ☐ 8. **Enroll** department/staff members into community risk reduction webinar or curriculum in 2021.
<https://bit.ly/3sinumd>
- ☐ 9. **Send** at least one **new** department member to "Home Safety Visit Train-the-Trainer" SCFA course #8617.
<https://bit.ly/3oCYvrz>
- ☐ 10. **Send** at least one **new** department member to complete 6100 or 6200 course. http://firesafe.sc.gov/docs/NFIRS_Training.pdf
- ☐ 11. **Complete** NFA Risk Assessment Course.
<https://bit.ly/2XjyJMV>
- ☐ 12. **Use** NFA Risk Assessment Course along with GIS Dashboard to identify community risk priorities in your fire district.
[South Carolina Fire District Risks \(arcgis.com\)](https://arcgis.com)
- ☐ 13. **Be** active NFIRS user and report a minimum of 6 consecutive months.
- ☐ 14. **Utilize** the department data dashboard to improve overall NFIRS data quality. <https://tabsoft.co/3ou4pLu>
