

June 29, 2017

Josh Fulbright, Section Chief
Office of State Fire Marshal
141 Monticello Trl
Columbia, SC 29203

Dear Chief Fulbright,

South Carolina Baptists recognize the urgent need to address the issue of home fire safety across our state. We are pleased to partner with you in *Fire Safe SC*.

The *Fire Safe SC* initiative provides a wonderful opportunity for our local churches to engage their communities to not only reduce the fire risks that far too many face in their homes, but also to live out the concern for others that we often speak of within our churches. With over 2,000 congregations scattered across the state in every community, town, and city, together we can impact these tragic losses that occur all too frequently as we tackle the safety problems as well as share our eternal Hope in Jesus Christ.

Sincerely,

Randy Creamer, Director
SC Baptist Disaster Relief

190 Stoneridge Drive, Columbia, SC 29210
