

Pedestrian Safety

WHEN WALKING

Follow the rules of the road. Obey traffic signs and signals.

Walk on sidewalks when available.

Walk facing traffic. If there is no sidewalk, walk as far away from traffic as possible.

Cross streets at crosswalks or intersections. Find a well-lit area with a good view of traffic. Wait for a break in traffic before crossing.

Watch for cars entering and exiting driveways and parking lots.

Avoid alcohol and drug use when walking.

Stay alert. Avoid using cell phones and earbuds.

Wear bright and/or reflective clothing.

WHEN DRIVING

Always be on the lookout for pedestrians, especially when driving in reverse.

Use extra caution when driving in hard-to-see conditions.

Slow down and be ready to stop when approaching a crosswalk.

Come to a complete stop before turning right on red.

Yield to pedestrians in crosswalks.

Never pass vehicles at a crosswalk.

Do not drive under the influence of alcohol or drugs.

Follow the speed limit.
