

Keep decorations away from open flames and other heat sources

Keep exits clear of decorations

Look for exits and plan escape routes when attending Halloween parties

Check smoke alarms

Carry flashlights or glow sticks while trick-or-treating

Use battery operated candles or glow sticks to light jack-o-lanterns

Buy costumes labeled flame resistant and be sure any masks have large eye holes

# Halloween Safety

Decorations are the first thing to ignite in 900 home fires each year; 2 out of 5 of these are started by a candle.
